My Night With An Angel

It all began with a striptease in an empty field

My cock got hard as soon as I saw her. Angel got out of the taxi wearing the tightest pair of jeans I'd ever seen. Her blouse was a rose-colored red and she'd left it unbuttoned to expose every inch of her cleavage.

As she walked up to the house, I caught a glimpse of my father staring at her. He was trying to be cool, but he didn't fool me. His eyes were too intently taking her in. My mother played her role well, though, taking Angel by the arm and making her feel at home.

"Your girlfriend is here," Mom called up the stairs. I closed the curtains I'd been peeking through and adjusted my growing dick.

Angel was this girl I'd met one summer vacation. She was in town for another visit. The trouble with Angel was that she had a knack for getting into trouble. She wasn't a hardened felon—far from it—but she was overly promiscuous. But then, she had an overly promiscuous body.

Her breasts were so full that it took two hands to cup a single tit and she had a way of walking—shoulders, back, tummy drawn in—that displayed her wondrous proportions in a most enticing

She grasped the wet bottom of her T-shirt and yanked it above her tits

way. And she had a curvy ass that would leave you staring at her from behind in sheer sexual ecstasy.

To show her buns off all the better, Angel didn't wear panties and her jeans were so tight that they rode up into the crack of her ass, separating each cheek into its own treat.

The last time Angel's parents had gone off on one of their island vacations and left her alone, she gotten a ride to a nightclub in the city where she lives and entered a wet t-shirt contest. She won, of course. But there had been complications.

Apparently, as Angel had described it to me, once she'd made it to the semi-finals in the contest, the cry of "Skin to Win! Skin to Win!" filled the air. The crowd wanted to see bare flesh before they applauded to vote for a winner.

Angel—with her thin white t-shirt already soaked with cold water, pressing against her breasts and jutting her dark nipples visibly—had felt obligated to deliver. She'd grasped the wet bottom of her T-shirt with a firm hold and yanked it above her tits, jiggling wildly and sending the horny spectators to a fever pitch.

As for me, I was clean-cut and well-dressed. My drinking habits were conservative. I didn't do drugs. Alas, I was the All-American Boy. So her folks had a lot of trust in me. What they didn't know, however, was that I was also as horny as a horse.

"So, what have you got planned for me this evening?" Angel asked. Her smile was devilish. It was the night of her arrival. We were in my parents' car. Our excuse for going out was that I was giving Angel a tour of my campus, which was less than a 20-minute drive away.

When we turned onto the highway, I headed south. My school was north. "I've got a friend," I told Angel, "who has a jeep. And he lives near an open field that goes on forever."

"And just what are we going to do in this open field?" She turned sideways in her seat, managing to unfasten another button. She'd worn a bra to get out of the house without suspicion, and now I could see the top of it. But I didn't answer her question, I just smiled.

The jeep was one of those open-air sports models. It had big tires and a padded roll bar. My friend who owned it had smeared the roll bar with mud, to make it appear like he regularly turned the thing over.

With Angel holding onto the dash, I bounced the four-wheel drive wildly over the field, cutting in between ruts. Angel yelped each time her ass came up off the seat, and her long light-brown hair flew in the wake of air we cut through the night.

A few field mice dashed in front of the headlights as we neared the stream. When I slammed the brakes to a full stop a mile later, it seemed like we were in the middle of nowhere. The only recognizable sign of life around us was a chorus of croaking frogs. Leaning as comfortably in the driver's seat as the compact design would allow, I crossed my arms and told Angel, "Let's see your stuff."

"What?"

"Ever since you told me about that wet t-shirt contest, I've had the hots to see you dance. So let's see it. In front of the headlights."

She smiled and jumped out of the jeep. I turned the radio on full blast. Savage dance music poured out into the night. Angel started her act. Her hands came up through her hair, tossing it loosely over her shoulders. Her hips and

ass were grinding as her fingers caressed her throat and started down the series of buttons on her shirt.

As each new section of her shirt came free, my cock seemed to grow another inch. I'd seen Angel naked before, had my cock pulsing between her tits, but she was so gorgeous, so hot, that every time was like the first time with her.

Angel threw her blouse over the hood of the jeep, then danced with her back to me, slipping her hands down the back of her pants, clawing her ass, pushing her jeans down her hips in a struggle of tight denim over hot flesh.

She'd left the house with a bra, but hadn't worn panties. Her beautiful curvy ass was thrust toward me as Angel bent forward at the waist and placed her open palms flat against each buttock and opened herself up to me, giving my eyes a full view of her split-open pussy, shining pink and wet in the headlights of the jeep.

Man, she was hot! And so fucking daring! Who else would do a strip in the middle of an open field except Angel? She kicked off her pants and turned into the headlights. She unsnapped the front of her bra and threw it off into the night. Now she was naked.

She put her shoulders back and shook her tits for me. The heaviness of her breasts surged maddeningly. Her nipples were hard and long. And her fingers went into her pussy, fingering herself, fucking herself. Angel lay down on the dirt field, spread her legs as wide as she could, and

Angel moaned from the sensation, and shifted my hardness into position to fuck her.

pumped three fingers into her wet pussy. Her mouth was open, but if she was moaning, her sounds were lost to the blaring radio. So I cut the volume off.

"Oh, yeah. It feels so good. I'm so wet. My pussy is streaming with my wetness. I'm so hot," Angel panted, juicing her fingers stiffly into her pussy. "I want to be fucked. I want a hard cock."

I pulled my shirt off over my head and jumped down from the jeep. My pants were off by the time I stepped into the narrow slices of light cut through the darkness by the jeep's headlights. My cock was bulging, jutting from my loins with a hard eagerness.

"Yeah. Yeah!" Angel sighed, seeing me coming onto the ground between her legs. Using her fingertips, she separated her folds, careful to pull her pussy hairs from her opening to give my cock a clean, wet plunge into her.

My weight pressed down, my cock jammed between our bodies as my hands fondled her tits. I cupped her right breast between both hands, pulled it up to my mouth, and sucked lovingly on her stiff nipple. Angel moaned from the sensation, but her hands found my cock and shifted my hardness into position to fuck her.

She put the tip of my cockhead against her wet heat and then thrust her abdomen upwards, popping me into her. The taut wrap of her vaginal muscles primed me; I couldn't hold back the urge to jam all the way into her, so I thrust my cock strongly into her searing channel, filling her. My hands bit into her tits as the spongy heat of her walls surged around my cock.

I wanted to come. I wanted to spill my wad into her. And Angel knew how to ride her way through a good fucking. Her legs wrapped around my ass and her fingernails scratched over my back as she

humped her ass for me, shifting slightly from side to side, lifting up to take the final inch of my cock deep inside her.

"It's rubbing my clit so nice," she sighed, her words coming moistly into my ear. "Your rod is jumping my clit. So hard, so hot! Oh, yeah! I'm doing it! Doing it! Now!"

Her ass went wild beneath me. I fucked her with as strong a motion as I could, jamming our hips together, firing her full of cock, and feeling each forward thrust building my climax to a peak that kept growing and growing, filling my shaft full of throbbing excitement that erupted along with a loud scream from my lungs.

Heaving spasms of my semen blasted from my cock. The darkness behind my pressed-shut eyes exploded in colors as my orgasm burst wildly, running like electricity from my loins and into my head.

Angel had been crying out right along with me. The grip of her legs had tightened. Her fingernails had clawed my back. But now she was drained. She'd come. And her legs had released me; they were spread open beneath my weight. Before I felt calm enough to talk, Angel had eased out from under my body and rolled me onto my side.

Dropping her head into my crotch, she sucked my flaccid cock. "It tastes so good," she sighed, pulling my entire penis into her mouth and then releasing it. "What a combination! Your cum and my pussy juice." Her tongue licked her soft lips.

Angel ran her hands through her hair and tossed her thick mane over her shoulder. Naked, her breasts shifting heavily as she rested on her side, Angel smiled and said, "What do we do tomorrow night, Billy?"

IT'S GOOD
TO BE YOUNG.
ESPECIALLY WITH A BUTT LIKE THIS!

How I turned an innocent chick into an animal begging me to fuck her

Virgin Territory

Faster, rev it faster,” Vickie gasped. Her skirt was above her waist. She wore no panties. Her legs were clamped around the leather seat of my motorcycle. She was about to come for the second time and I had yet to touch her.

Vickie, you see, is a virgin. Seemingly untouchable. I’ve tried everything short of knockout drops to get into her pants. Nothing worked... until I bought that motorcycle.

When I rode up to her house on it that first night, I thought it was going to kill our relationship. She immediately launched into a lecture on how unsafe bikes were. I was so pissed at her attitude. As a matter of fact, I didn’t even cut the engine. I didn’t listen to half of what she was saying.

I like to see her green eyes flash when she’s angry. She is a total, sexual creature as she stomps her tiny foot and fights to keep her beautiful blonde hair from her face during one of her tirades. It was the most excited I had ever seen her. The nearest I had ever come to getting her to give in to me was during one of her tantrums.

I don’t even remember what I did to make her mad. We were on the front porch of her house in the swing. The house was dark. Her parents were not at home. That’s why we were out in the open. So the neighbors wouldn’t see her with a man in the house with no one else at home.

Vickie is 22, but her folks still treat her like she’s a kid. Anyway, she was screaming at me and pounding on my chest. I couldn’t control my smile. All I could think about was her beautiful breasts bouncing under her light sum-

mer dress. I wanted so badly to kiss one of those strawberry nipples.

Her body shook so hard that two of the buttons worked loose. The bra she wore was one of those uplift jobs. It hid the nipples. But that’s about all. I could see most of those mouth-watering tits.

I don’t know what got into me. But, I reached out and touched the side of one of them. It was hot to the touch. Her breath caught in her throat. She blushed, but didn’t pull back or remove my hand. She sat there breathing through flaring nostrils and licked her lips. I took advantage of her confusion and leaned forward and touched her lips with mine.

Her hand on the back of my neck pulled my mouth hard against her soft sweet lips. Her tongue probed my mouth for the first time. My dick sprang to attention. By then, my hand held her entire breast. The nipple stiffened under my touch. It was a night for firsts. I almost passed out at her next move. Her tiny hand reached tentatively out and touched the bulge in my pants. She slowly and gently caressed my throbbing prick.

My heart was in my throat as I let my free hand creep up her leg and under the orange cotton skirt. Before that night, touching her knee was a crime against nature. Suddenly, I was halfway up her hot thigh and her legs were easing open.

My hands shook and my palms were sweating as I inched closer and closer to the molten center of her womanhood. At the moment, I didn’t want to fuck her. I only wanted to

touch that sweet pussy. Just one little touch.

It seemed like forever but finally I made contact. The slippery silk of her panties was hot with her virgin juice. Those hot lips puckered and seemed to kiss my finger as I slid it up and down the soft hot groove. Her ass wiggled all over the swing. She sucked my tongue deep into her hot mouth. Then, she stiffened and pushed her wet pussy hard against my hand and locked her steaming thighs around my wrist. She was having an orgasm. Probably her first.

It was more than I could stand. I shoved my twitching

Those dream breasts were heaving in perfect unison. I felt my prick beginning to rise to the occasion. It excited me even to imagine that there was a chance of a repeat of the swing scene. I was gently revving the cycle while we sat staring at each other. She gasped as I revved it a little harder. "That feels so good," she purred. "Don't stop. I like it."

I'd read stories of chicks who get off riding motorcycles but I never dreamed my pure virgin Vickie would be one of them. "Sit on the seat," I urged, helping her straddle the buddy seat. Again she was wearing a light summer dress.

prick against her soft white hand. She squeezed it while I shot my hot cum all over the inside of my jeans.

Once we calmed down, I tried to get her to talk about what had happened and how good it had been. She was too embarrassed. A few minutes later she claimed a headache and sent me on my way.

Since that night, I use the swing scene every time I masturbate, which I seem to do more and more, the longer I know Vickie.

Every time we were together after that, I tried to make it happen again. But, Vickie was having none of it. She was back to virgin city.

The night I brought my motorcycle by, she was fussing at me but her voice was getting softer and softer and her hips were making the tiniest humping motion against the seat. Her eyes were getting that sexy glaze, just like on the porch that night.

She sucked my tongue deep into her hot mouth. Then, she stiffened and pushed her wet pussy hard against my hand...

I couldn't believe my eyes. When she threw her leg over the seat, I saw her from the waist down. She had no panties on. Her bush was as yellow as her hair.

She sat straddling the seat. The vibrations were really getting to her. I slid one hand forward and touched her wet pussy as it slid back and forth along the leather seat. That sweet virgin pussy was gushing virgin girl-cum. It soaked my hand and fingers.

I looked around. It was dusk and the street was deserted. I couldn't control myself. I unzipped my jeans and let my prick pop into view. She gasped but continued humping the seat. I reached out and picked up the tiny virgin by the waist and lifted her onto my lap. My rock-hard pole rested in the groove of her pussy.

She reached around me and took over the operation of the throttle. My hands cupped her soft hot ass as I slid her up and down my stiff rod. On each upstroke, my prick came

closer and closer to entering her virgin tunnel. Each time the head of my prick brushed the sensitive opening of her womanhood she let out a tiny gasp.

"Oh, yes. Yes!" She was hot and ready. I wanted her first time to be special. I had to control the animal urge to lift her up and plunge my bursting prick into that sweet box to the hilt. Somehow, I managed.

She came again and again as my prick moved faster and faster along her scalding swollen pussy lips. I don't know how I held out so long. I've never wanted to come so badly in my life, but it had taken so long to get my sweet virgin to this stage, I had to savor it. And I did.

After uncounted orgasms, Vickie released the throttle and put both hands behind my head

possess the control. She had two more orgasms with only an inch of my member in her virgin slot. She was a wild, writhing bundle of warm female flesh.

"Fuck me!" she screamed. Her words sent rockets up and down my spine. My Vickie, my sweet Vickie was completely out of control. All she wanted in the world was my ready and willing hot cock.

And did I ever give it to her. I pulled her hips down against my prick with all my might. I took that sweet cherry in one stroke. She whimpered once before she began bucking and screaming. She bit my lip. She drew blood, but I was too far gone to feel pain. Blind lust; that was all I could feel.

Then it began, like a volcano erupting from my swollen

and pulled her lips to my ear. "Take me," she purred. "I want it. I want you inside of me. Do it. Please, but, please be gentle." She begged.

Our lips locked as I lifted her off of the seat and held her poised over my steel-hard dick. Very slowly, I lowered her onto the waiting pole. Minutes went by as I held her in mid-air with only the head of my hard prick inserted in the wet opening. I could feel the pussy muscles squeeze him in a steady tantalizing rhythm.

I don't know how I kept from filling her sucking snatch with my hot load then and there. But, somehow I seemed to

balls. I'm sure I screamed when that first gush of sperm splashed into her steaming pussy. I humped and humped and humped. And came and came and came. It seemed to last forever.

Vickie is like another woman now. She loves to ride my motorcycle. She especially likes to ride behind me and play with my prick while we race down the highway. The best part is always when she makes me pull off of the road and satisfy that always-hungry pussy.

That motorcycle is one toy I'll never part with. Not as long as it gives such good vibrations!
